**HUNGRY PLANET® PLANT-BASED MEATS NOW AVAILABLE AT LAZY ACRES  
NATURAL MARKET**

**ST. LOUIS, Mo. – March 1, 2021**– Hungry Planet® is thrilled to announce the launch of its premium plant-based meats at three Lazy Acres Natural Market locations this month, with two additional stores rolling out next month. This Southern California grocery chain will join dozens of venues throughout the region who offer delicious Hungry Planet® meats. At Hermosa, Encinitas, and Long Beach stores, customers can purchase 10 different chef-crafted meats. The range of meats Hungry Planet® offers is a rare find among competing plant-based meat brands.

At Lazy Acres, the variety of meats offered will please tastes and preferences ranging from plant-curious meat lovers to dedicated vegans. Hungry Planet® 12 ounce ground meats include Beef, Chicken, Italian Sausage, and Pork. For those wanting pre-formed patties, there are 16 ounce packs of Beef Burger Patties, Crab Cakes, and Chipotle Chicken Patties. In addition, three newly launched eight ounce, Ready-To-Eat meats include Grilled Diced Chicken, Grilled Chicken Strips, and Crispy Fried Chicken. These new options satisfy the [growing consumer demand](#) for

easy and nutritious meals, while giving customers the opportunity to quickly and simply incorporate plant-based meats into their favorite meals.

Hungry Planet's growing range of meats is a unique find in the plant-based meat category. It is the first and only plant-based meat company to offer a full range of chef-crafted meats with a superior nutritional profile, including zero saturated fat. Most plant-based meat brands sold in grocery focus on just beef and chicken. Hungry Planet® offers an exceptional variety of plant-based meats that are delicious 1:1 substitutes for conventional meat. Choosing to eat plant-based proteins is a smart choice for personal and planetary health.

### **About Hungry Planet®**

Hungry Planet®, Inc. makes chef-crafted plant-based meats that are a delicious and simple switch for conventional meats. Headquartered in St Louis MO, the company's mission is to match traditional meat textures and tastes with healthy plant-based ingredients, and to make them accessible to everyone. Well known to those in the plant-based meat category for their variety and superior nutrition, they develop meats to delight the demanding tastes of meat lovers and chefs. With a full range of naturally flavored proteins, their meats can be used in any cuisine without compromise and use fewer resources from planet to plate while being superior for consumers and the environment. Their meats are packed with protein and fiber, featuring fewer calories and less fat (no saturated) than conventional meat and other plant-based meats. Sibling founders, Todd and Jody Boyman, founded Hungry Planet® because they recognize that even though our planet is abundant, it is not without limit. While food is the most basic human requirement, we owe it to ourselves, and our community, to eat more sustainably. The company is hungry to transform our food system to be healthier, more sustainable and just.
